PROFESSIONAL SUMMARY

Motivated B.Tech ECE student and Python Full-Stack Developer with hands-on experience in Django, HTML, CSS, JavaScript, and MySQL. Experienced in building responsive web applications and REST APIs.
Strong problem-solving skills with internship exposure in web development and AI robotics.
Seeking a Python Intern role to apply backend and full-stack skills.

EDUCATION

UKF College of Engineering & Technology, Parippally, Kollam, India
B.Tech, Electronics & Communication Engineering (ECE), Expected in 03/2026
- Career in progress
- CGPA: 6.5

Mayyanad Higher Secondary School, Kollam, India
Higher Secondary Education (Science Stream), 01/2022
- Percentage: 80%

Mayyanad Higher Secondary School, Kollam, India
SSLC (Class 10), 01/2020
- Percentage: 97%

TECHNICAL SKILLS

Programming & Web Technologies
- Python, oops, Django Framework, HTML5, CSS3, JavaScript, Bootstrap, React

Database & Tools
- MySQL, Git/GitHub, REST APIs, VS Code

Electronics Skills
- Digital Electronics Basics, Embedded Systems Basics, PCB Design

Development Skills
- Web Development, Debugging, Responsive UI Design

PROJECTS

E-Commerce Website
Tech: Python, Django, HTML, CSS, MySQL
• Implemented user authentication and product management
• Designed responsive UI with Bootstrap
• Built secure cart and checkout workflow

Line-Following Robot
Tech: Arduino, IR Sensors, Motor Driver, Embedded C
• Programmed sensor-based navigation using embedded C
• Implemented real-time motor speed control and direction switching
• Tested and calibrated IR sensors for accurate path detection

---

INTERNSHIP / TRAINING EXPERIENCE

Python Full-Stack Developer Intern (Ongoing)
QIS Academy, Kochi
Duration: Aug 2025 – Present (6-Month Program)
• Currently undergoing intensive hands-on training in Python Full-Stack Development
• Working with Python, Django, HTML, CSS, JavaScript, Bootstrap, MySQL
• Developing real-world web applications and mini-projects
• Learning REST APIs, authentication, database integration, and debugging
• Gaining exposure to industry-level coding practices and version control (Git/GitHub)

INTERN – 01/2024 to 01/2024
Stem Robotics International, Kochi, Kerala
- 5-day internship program on "AI-ROBOTICS."

INTERNSHALA -06/2025 to 06/2025
Type: Online
- 14-day internship program on "Python Full Stack"

LANGUAGES

English, Malayalam

SOFT SKILLS

- Communication Skills
- Problem Solving
- Teamwork
- Logical Reasoning
- Debugging complex code issues
- Breaking large tasks into smaller modules
- Finding optimized solutions
- Leadership & Responsibility
- Time Management
- Completing tasks before deadlines
- API Documentation Writing
- Solution-Oriented Mindset

ACCOMPLISHMENTS

- Completed 3 technical internships in AI Robotics, Web Development, and Python Full Stack
- Built multiple web applications including e-commerce and real-estate platforms
- Improved UI responsiveness and backend efficiency
- Demonstrated teamwork and communication during group projects
